DAN PASSERALLO JOINS HI-WAY EQUIPMENT AS DIRECTOR OF PARTS
Heavy Equipment Veteran Brings 14 Years of Experience to the Position

Houston, TX (December 13, 2010) – Hi-Way Equipment Company is pleased to announce that Dan Passerallo has joined the company as Director of Parts. In his new position, Passerallo is responsible for overseeing the parts departments for all locations.

“We welcome Dan to Hi-Way Equipment,” says Brent Mumford, president of Hi-Way Equipment. “He brings many years of experience that will help us improve our product support services with increased efficiencies for our customers.”

“I plan to focus on streamlining parts availability over the counter,” notes Passerallo. “Our goals are to increase fill rates and to make sure our parts staff is the most knowledgeable staff in the region.”

Passerallo has more than fourteen years of experience in the heavy equipment industry. Most recently, he was with the Doosan Infracore America Corporation as after market parts manager. He earned a degree in business administration from Georgia State University.
